

Mia Nichelle Alston

April 1, 1989 - December 5, 2018

Mia Nichelle Alston, 29, born on April 1, 1989, went home to be with the Lord on Wednesday, December 5, 2018 leaving behind a spirit of peace and love while surrounded by her family. Born in Virginia Beach, Mia had a gentle and loving spirit and could light up a room with her bright smile and beautiful eyes. Music was an important part of her life as it brought joy to her soul. She was known for her infectious laughter and fun-loving ways as she spent time with family and friends.

Although Mia was born with Rett Syndrome and it placed some limitations on her life, she wanted people to see her and not her disability. Mia was non-verbal but she expressed so much through her eyes. She had a child-like spirit, full of joy, laughter and all around happiness. She especially loved to hear the word 'Hallelujah' and when people told her that her name was beautiful. Mia enjoyed her life and embraced every moment of it. She did not take any act of love, kindness and life itself for granted. Mia touched the heart of those that loved and knew her. Her presence made others see how precious life is. She was our angel!

Mia is preceded in death by her maternal grandparents, Shirley Brown and James Ridley, Sr. Mia is survived by her mother, Sabrina Ridley-Alston and two siblings, Ashleigh Alston and Mathias Colson, Virginia Beach and her father, Rodney Alston of Chester, Connecticut and four siblings, Rodney, Jr., Ava, Elena and Brayden Alston; her paternal grandparents, Stanford and Sandra Sims of Chesapeake. She also leaves to cherish her memory a host of aunts, uncles, cousins and loved ones.

“ To my loving eldest sister, Sabrina, my beautiful, warm and kind niece, Ashleigh, and one and only handsome and intelligent nephew, Matthias. Please accept my sincere condolences for the loss of beautiful Mia Nichelle Alston. I am sure right now, words cannot begin to express the deep feelings of disbelief and sadness knowing our Mia is no longer physically with us. She was indeed, the bright spot in our lives, but much more in each of your hearts. Grief and despair is filled with us all now, as we cannot touch or tell her how much we miss her because we want her back. Each one of you since the beginning of her life, took unbelievable time and care in providing her with mounds of A-1 attention most other children could have only dreamt of being the recipient. You never allowed her to feel or know she was disabled because you treated and provided her with the same care normal children received, thus Mia loved you dearly for it. She flourished because of her care and everyone was truly amazed with how well she continued to flourish because of each of you. With the passing of Mia, we will become a much stronger family with all the support and care you need without asking. Mia would have wanted and expected nothing less. My heart aches and tears sting me when I think about her passing, but more important, I know the grief is even greater for each of you. Just know, she is definitely in God's hands, healed to perfection, lighting a great light each way she travels and looking down upon us smiling with joy. Mia will soothe us in ways unimaginable because she was such a gentle soul. She is finally free, no longer in pain and Heaven gained a true Angel.

Love, your sister, Wanda, Auntie to Ashleigh and Matthias.

“ Mia was a beautiful soul inside and out and I will always remember her smile and laughter. May she Rest In Paradise. Until we meet again, love you always.

“ I remember Mia when she was born more than 29 years ago. It's so hard to believe it's been that long ago. I so remember Mia's beautiful, beautiful hair and her lovely and friendly smile to match. What a blessing she has always been! One thing I know for sure Mia was a blessing to me, our family and everyone that met her. One thing that is sure we have a promise in knowing Jesus Christ that we will see our precious

Mia again. We praise God for Mia and the precious life God extended to this special young lady! Love, Aunt Barbara
