Alyssa,
My heart aches and smiles every time I think of you as being an angel in heaven and not an earthly being anymore. You Were such an incredible loving and caring person and the world and those of us who knew and loved you are saddened that you left us. I will never forget you "Crumb Cake" and will love you as long as I live. I know you are with God and pray that you look over us down here. Until we meet again. RIH my dear daughter.
