

Bishop Danny Lewis Daily Sr

July 2, 1951 - December 24, 2024

Bishop Danny Lewis Daily Sr. a beloved husband, father, grandfather, brother, Uncle, and friend to others. Bishop Daily was born on 07/02/1951 in Lakeland GA to Annie Laura and Marshall Joe Daily and left us on December 24, 2024, at the age of seventy-three. He was active within the Life Changing Ministry in Suffolk VA until he became sick and passed away.

Bishop Daily grew up in Tampa Florida and would spend time in Ray City Georgia visiting his dad during the summer; he was known for his sense of humor, amazing stories, and generosity. He was a man of few words, but he stood on principles and always meant what he said. If you knew him, you would know he was a “country boy” at heart. He loved fishing, hunting, guns, cars, spending time with family, friends, anything to do with Alaska, and he loved “Bell,” his wife of 54 years. He pursued a career in the military and was a veteran of two wars, Vietnam War, and Desert Storm. He retired after 24 years in the Navy and later retired as a DOD police officer.

He lived a life filled with stories and lessons he often shared with others as they drew near. How Bout Dem Boys!!! Bishop Daily was a Dallas Cowboy fan and owned all their merchandise. He was a father figure to many and taught us the word during Bible Study; he was adamant about us knowing the word of God and having a personal relationship with the Lord Jesus Christ. For this, we are forever thankful.

Though he may no longer walk beside us, his spirit will live on in the lessons he thought, and the memories we hold dear. Bishop Daily is survived by his wife of 54 years Sandy Daily and their three children, Alisia L. Daily, Dana M. Daily-Cameron (Bruno), Marshall J. Daily (Maritza). His oldest son Danny L. Daily Jr. passed in December of 2021. Bishop's Brother's & Sisters on his father side, Joyce, Joe, Wayne, Oliver, Hanson, Clyde, and Marshetta. “Premier Funeral Services created a Tribute Video in memory of Bishop Danny Lewis Daily Sr

“I knew Bishop Danny Senior as Mr. Dan, my father Phillip Mills’ best friend and my godfather. Though I regret not staying in closer touch, I want to share a story about the power of a godly family.

My father went to glory in October 2018, and one of his gifts that always amazed me was his discernment. In moments of deep emotional pain, he’d call me out of the blue and say, “What’s wrong, daughter?” He just knew. After he passed, I grieved that I’d lost that connection.

Then, in 2019, during a season of heartbreak, I was crying on my floor when my phone rang. It was Mr. Dan. After we exchanged greetings, he said, “God placed you in my heart, and I just had to call.” At that moment, he stepped into the space my dad had left, obeying the heavenly Father’s nudge and reminding me of the care and love that only comes from a godly family.

I will always be grateful for Mr. Dan’s kindness and faithfulness. He truly reflected God’s love for everyone around him.
