“ *I met Janice in 1999 when I first came to Portsmouth Public Schools Transportation. I worked directly with her from the TRT lot for a while driving a bus. She was one of the kindest, most hard working people I know.*

When I conducted safety meetings, Janice would call if she couldn't come and say she had to go home and rest so she could come back for the afternoon run.

Janice was definitely a very hard and dedicated worker. She loved her job and the children she drove.

God gained an Angel when he called her. A piece of my heart is with her.

I'm sending good thoughts and prayers for her family.

Until we meet again, Janice. Xoxo

“ Janice was a loyal and dedicated worker here at the Portsmouth Transportation Department as a Bus Driver for many years she loved her job and her co-workers ,and in return we loved her. I had the pleasure of working with her side by side everyday,she will truly be missed by us all. Janice was a woman that was coming to work weather she felt well or not she would say Beverly I'm here I'm not feeling my best but I'm here and ask me what I needed her to do? There is so much I could say about her but it goes without saying if you knew Janice you Know she was a sweet heart and it tears my heart to have to say good bye but know she made a lasting impression on all of us and she will never be forgotten so in closing I say Rest up my friend and Rest in Peace . The Portsmouth Transportation Department and the drivers out of the TRT LOT which she worked out of during her time with us send you her family our Deepest Condolence if ever we can do something for you we're just a phone call away

Sincerely her dear friend and Team Lead,
