“ To Aaron Patrick and Family of the Late Michael W. Patrick: Friendships are wonderful, but when they turn into relationships, they become special! This is how we feel about your family and we deemed it necessary to convey our sympathy to you as you mourn the passing of your beloved father. It is our prayer that as you go through this hour, that you will permit the POWER, PRESENCE and PEACE of GOD to strengthen, surround and comfort you in the days that lie ahead. Look unto the hills from whence cometh your help. . . .it comes from the Lord! Be encouraged!
